5. Only legal fish are eligible for points i.e. a snapper must be 35cm to be eligible for points.

6. All fish must be photographed with a digital camera or mobile phone. All fish must be photographed on a brag mat and the entire fish must be visible in the photo. Fish are not to be measured to the fork of the tail.

7. All photos taken must be retained until the end of the competition. In case of a count-back photos must be submitted on request. If no photos can be produced all claimed points will be invalid.

8. Capture sheets must be submitted to Game Fish Base at the completion of Saturday's fishing and no later than 7pm. Teams are encouraged to attend the One Mile on Friday night for the barbecue and submit their day's capture sheets at the time.

9. There is no need to bring fish back to the Game Fish Base. Only photos will be accepted as evidence of capture. If competitors wish to keep fish for any reason then bag and size limited must be observed at all times.

11. No Angler can fish a boat or from shore alone for safety reasons. All team members are to be in line of sight from their team mates when fishing from the shore. A team will consist of a minimum of two people. Juniors may form part of a team. All team members must fish out of the same boat.

Any action construed as assistance to the angler or anglers by anyone other than a fully paid entrant by any means whatsoever will cause team disqualification for that day or possible the tournament.
